Marengo Rescue Squad Address Signs

The address signs being sold by Marengo Rescue Squad are made of aluminum covered with an engineer grade, reflective laminate. The signs are being sold to help identify your residence to rescue, police, and fire personnel during an emergency. They will also help identify your address to postal, pizza, and other deliveries. Proceeds are benefiting Marengo Rescue Squad Association. Marengo Rescue Squad has been in service since 1961, covering 144 square miles including Marengo and Union. Monies collected for the association are used to fund scholarships and civic activities. Please fill the bottom portion out by PRINTING all of the information requested. Your signs will be delivered by person as soon as possible.

(Rural address signs will be installed as weather permits)
